## **CONSTRUCTION UPDATE: Upper Valley Road Improvements**

**The Engineering & Construction Management Department began construction activities for the second phase of the Upper Valley Rd. Street & Drainage Improvement Project on April 2, 2012. The project consists of substantial improvements on Upper Valley Rd. from Country Club Rd. to the intersection near Romer Ray St..**

In order to expedite the necessary improvements, please note temporary street closures will be in place for approximately 5 months with expected completion by September 2012. **Access will be available to residents throughout this construction period and the appropriate traffic control measures and detours will be in place.** Please note traffic is currently being diverted from Country Club Rd. and Artcraft Rd. onto Gomez Rd. and Westside Dr.

Featured improvements consist of:

- New roadway pavement
- Landscaping improvements
- New ADA compliant sidewalks with standard curb and gutter and driveways
- Storm sewer system upgrades
